## EBAY

We have finally given in to the pressures of needing extra income & to also liquidate many items out of my collection of over 30 years! Please check our auctions and Ebay store out at Cecexpo. We are currently offering almost 1000 items including cards, comics, puzzles, models, books, DVDs, CDs, movie items, and much more.

Although, I now support an Ebay store and auctions, I will still continue to support my local shops and conventions! Please remember, Ebay is only part of the collecting hobby. It is certainly great to get out and meet and talk with people in person- not to mention the art of negotiations. Ebay has some fine qualities as well. Thanks for the continued interest and support!

- **Guests** • **Artists** • **Publishers** •

We are always open to additional talent for the upcoming Expos.

If you are a professional, please email me for terms of exhibiting at the Expo.

Best of everything-
